Cookies Policy

Introduction to $DOGEBALL Cookie Policy

This Cookie Policy explains how $DOGEBALL employs cookies and related technologies on our website and services. By using our website, you consent to the use of cookies as described in this policy.

What Cookies Are

Cookies are small data files placed on your device when you visit a website. They allow the site to identify your device, store information about your visit, and improve functionality and user experience.

Categories of Cookies We Use

ESSENTIAL COOKIES

These cookies are necessary for the website's basic operations. Disabling them may prevent certain features or services from functioning correctly.

FUNCTIONAL COOKIES

These cookies store your preferences, such as language, username, or location, to deliver a more personalized and seamless experience.

THIRD-PARTY COOKIES

We may use cookies from trusted third-party providers to improve user experience and deliver targeted ads. These providers may gather information like your IP address or browsing activity on our site.

ADVERTISING/TARGETING COOKIES

These cookies monitor your browsing behaviour to provide relevant advertisements and content. They also help reduce repetitive ads and evaluate ad campaign performance.

PERFORMANCE/ANALYTICS COOKIES

These cookies collect data on how users navigate our website, such as which pages are visited most, helping us enhance performance and user experience.

Cookies Policy

Cookie Management

You can control cookies through your browser settings, where you can choose to block or delete them. Note that restricting cookies may limit access to certain website features or functionalities.

Policy Updates

We may update this Cookie Policy periodically. Changes will be posted on this page with an updated "Effective Date." Continued use of our website after updates signifies your agreement to the revised policy.
